Press both arrows to
switch between volume
and listen through

BASIC FEATURES — CONTROLS

STATUS LED FUNCTIONALITY

Battery level and connection status are both shown with the status LED.

Connection Status

When powered on, the color of the LED flashes indicates connection status.

● ● ● ● On

● ● ● ● Bluetooth connected

Battery Level

Number of pulses indicates battery charge level.

LED color will vary depending on connection type.

Charge Status

When plugged in, the color of the LED indicates charge state. Slow flashing indicates a charge fault.

Charging

Fully charged

Charge fault
