4DLX Specifications

Weight:

16.8 oz.

Microphone:

Noise-canceling electret

Ear Seal:

Liquid/foam

Noise Reduction Rating:

24dB

Mic muff included

Cloth ear seal covers included

Characteristics

Comfort:

The wide headpad disperses pressure for a better feel. Liquid/foam ear seals provide additional comfort and help reduce extraneous noise.

Innovation:

Most people hear better in one ear than the other. With well-placed dual volume controls you can adjust each ear cup's volume as needed. The result? A smooth, even sound.

Noise Reduction:

We keep it quiet with our advanced hearing protection technology. Liquid/foam seals effectively block out sound. Noise reduction rating: 24dB.

No Risk:

Fly 'em and Try 'em for 30 days, no risk. We know you'll love your headset. If not, return it within 30 days for a full refund.

Three-year warranty.
