

# Classic ANR

One of the most comfortable headsets on the market also comes with ANR technology. The Classic ANR gives you not only a great fit with its soft thicker headband pad, but reduces the chance of hearing damage and fatigue as well. If this sounds good to you, just wait till you try them on. Our headset is comfortable and comes in our handy carrying case.

# CLASSIC ANR SPECIFICATIONS

## Weight

18.5 oz. without comm cable

## ANR

14-18dB at certain key low frequencies

## Ear Seal

Confor® Foam

## Microphone

- Noise-canceling electret
- Mic muff included
- Optimized for speech clarity and noise reduction

## DETAILS

### Battery

9 Volt drop-in battery pack with low battery warning and belt clip

### Sure Power System™ (SPS)

Digital power management circuit conserves battery life

## CHARACTERISTICS

### Comfort

Classic ANR's Confor Foam ear seals, and a thicker polar fleece headband pad ensure comfort.

### Noise Reduction

We keep it quiet with our advanced hearing protection technology. Confor Foam ear seals effectively block out sound. Noise reduction rating is enhanced by 14 to 18dB at certain key low frequencies.

### Innovation

A volume control on each dome allows for independent adjustment.

### No Risk

Fly 'em and Try 'em for 30 days, no risk. We know you'll love your headset. If not, return it within 30 days for a full refund.

**Three-year warranty.**
