

EUROPEAN UNION REGISTRATION, EVALUATION, AUTHORIZATION AND RESTRICTION OF CHEMICALS (REACH) STATEMENT

This statement applies to all Sonetics, Firecom and Flightcom Products and Hardware:

Sonetics Corporation is aware of the REACH Regulation (Registration, Evaluation, Authorization and Restriction of Chemicals Regulation, EC 1907/2006), the European Union regulation that is intended to regulate the use and importation of chemicals and substances into the European Union.

As a manufacturer of "articles" which do not contain chemical substances intended to be released during the normal and reasonably foreseeable conditions of the product as defined by the REACH regulation and existing guidance. As such, Sonetics, Firecom and Flightcom products are not subject to the REACH regulation's or registration requirements.

Products manufactured by Sonetics Corporation do not contain REACH SVHC* (Substance of Very High Concern) materials in excess of 0.1% by weight.

However, Sonetics will continue to work closely with our Customers and Suppliers to ensure ongoing compliance with all requirements of the REACH Regulations.

***This declaration includes the REACH SVHC chemicals identified through June 06, 2013.**

**Sincerely,
Sonetics Corporation**
